- To provide a great working and healing environment.

Subramania Bharathi (1882-1921)

A tribute to Subramania Bharathi (1882-1921), an outstanding Indian writer of the nationalist period who is regarded as the father of the modern Tamil style. He and his ideologies have always inspired the people behind this venture just like any other Indians.

Bharathi Multispeciality Hospitals is named after Dr. S Subramanian Bharathi, the first dental surgeon of Nagercoil and the founder of Bharathi Dental Clinic and Implant Centre, Nagercoil.

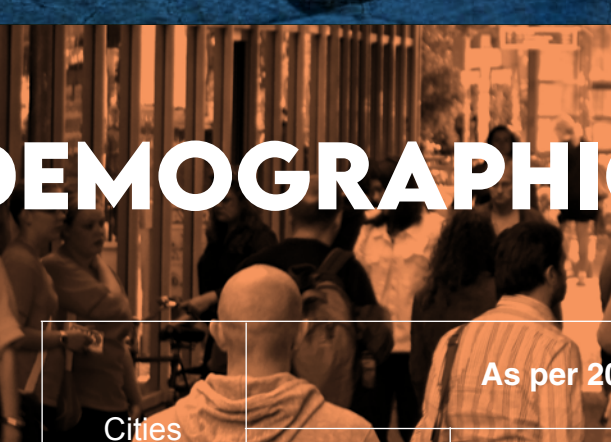

Dr. S. Thanu, Interventional Cardiologist and the Physician-in-chief of the proposed project is one among the second generation of physicians in the 35-years of legacy headed by Dr. S Subramanian Bharathi.

More than a business project, this hospital is the continuation of a dedicated healthcare heritage that has been serving the people of Tamil Nadu for more than three decades.

35 YEARS OF LEGACY

SITUATION ANALYSIS

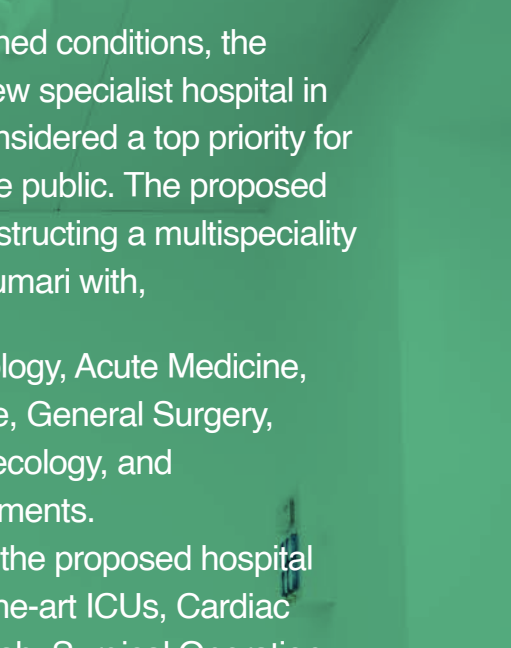

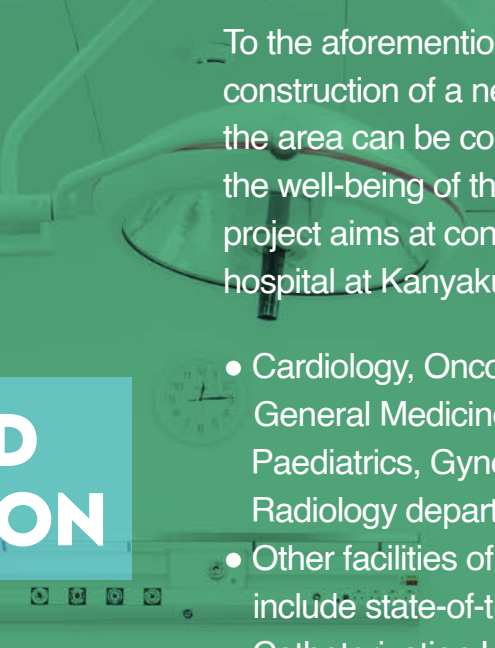

Tamil Nadu is ranked the third highest state with the rising number of cardiovascular disease (CVD), after Kerala and Punjab.
